**PARENTS' PLEDGE**

I promise to help my New Driver learn how to drive by using love, patience and support. I understand and accept that this is a learning process and promise to be a good role model and understanding instructor. I also pledge that I will be encouraging rather than critical and try not to complain. I will be patient and allow my New Driver to progress at his/her own speed and will not try to rush or hurry the process. I recognize that learning to drive is a mental AS WELL AS a physical skill that needs to be nurtured and practiced – in a loving and supportive manner.

**NEW DRIVER'S PLEDGE**

I understand that permission to drive is a privilege given to me by my parents. And as a privilege, it is their right to take that privilege away at any time they think is necessary. I will abide by the rules and regulations established by my parents, and if I break a rule, I will willingly face the consequences we have agreed upon.

- I will obey all rules established by my parents. I recognize this is for my protection and the protection of others.
